

CERTIFICATION

This is to certify that GEECO ENERCON PVT. LIMITED, Tiruchirapalli, India had supplied and installed new air preheater baskets to our two (2) units – 24.5VIXI800 (2100) and two (2) units – 27.5VIX2200 all regenerative vertical bi-sector air preheaters of unit 2 power plant with 300MW rated capacity.

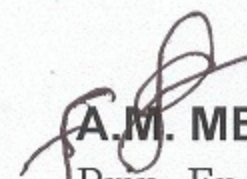

Fitment of new baskets into the air heater compartments are very good and service supervision of GEECO Engineers during rehabilitation was very satisfactory.

This certification is being issued to GEECO Enercon Pvt. Limited this 11th day of February 2011.
